August 1, 2005

Dear Friend:

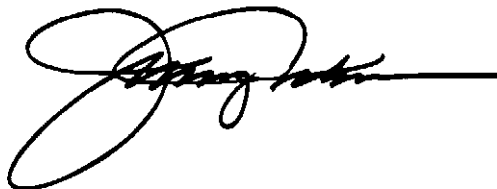

Each year one of my duties as United States Senator is to nominate qualified candidates to the United States military academies. This year I along with members of the Georgia Congressional Delegation will host the first statewide academy event to familiarize students with the application and nomination process and to expose them to academy life.

My Fall Academy Day will be held on Saturday, September 17, 2005 from 9:30-11:00 A.M. at Naval Air Station Atlanta. Representatives from all five academies as well as cadets and midshipman will be in attendance and will be available to answer the questions of parents and students. The event is open to students grades 8-12. All attendees must present photo ID at the Atlanta Road checkpoint for admittance and make a reservation due to security restrictions.

All persons who are interested in attending must make a reservation by contacting my Academy Director, Nancy Brooks at (770) 661-0999 or register online at <http://isakson.senate.gov/academy.htm>. All persons who wish to attend must provide their phone number, addresses, and social security number by the registration deadline which is September 9, 2005.

Please make this information available to your college counselors and your students. I am enclosing an Academy Day flyer for you and directions to the event. Please feel free to make copies of the flyer and display them for your students. Information on this event and the academy process will appear on my web site, <http://isakson.senate.gov>. It will be beneficial to check the web site before the event to monitor any last minute information or changes. If you need any additional information, please contact Nancy Brooks in my state office.

Sincerely,

Johnny Isakson
United States Senate
